OUR LOCATION

HOW DO YOU GET TO US?

The studio is located on the 2nd floor of the iconic AlSCO industrial linens building at the corner of Manitoba and West 4th Ave. Enter through the alley at the rear of the building, and up the stair case at the back.

BY CAR

There is on-street parking scattered around the block, though we do recommend drop-offs only at peak times such as after-school and rush hour on weekdays

Drive down Manitoba towards 3rd, then take a right down the alley before 3rd. You can put your hazards on and pickup and drop-off your student right in front of the staircase!

BY BUS

The closest stop is on West 2nd and Manitoba where the 84 UBC/VCC Clark bus stops regularly. Alternatively, taking the No.3 Main Street bus will get you to Main & West 6th Ave, which requires approximately 5 minutes of walking time downhill to the studio.

BY BIKE

There are 2 bike racks situated at the south east corner and north west corners of Manitoba and West 4th Ave. Nearest bike lane routes are West 5th cycle lane and Ontario cycle lane.
