Year in Review 2022!

PMM had quite a year last year, despite the pandemic restrictions not being lifted until end of March, we were still able to achieve many things including:

- Move from the ALSCO building to 2435A Granville Street (March)
- Host our first Open House (March)
- Provide summertime entertainment to the South Granville Business Improvement Association (June-August)
- Run summer camps (July & August)
- Hire a violin instructor (September)
- Go carolling around the neighbourhood (December)
- Publish the Winter Solstice Celebration YouTube video: [link here](#)

Thank you to all our students, parents, and supporters of the studio. We couldn't have done all this (and more!) without you. We are pumped for what 2023 will bring.
