# Pleasant Mountain Music

## Spring Break

Pleasant Mountain Music is **open** during Spring Break; **lessons are scheduled as usual**. However, any students/families planning to be away should provide 2-weeks (14-days) notice to cancel affected lessons at no charge.

## Communicable Diseases

Thank you to all our parents, students and teachers for doubling down on efforts to keep PMM safe and germ, well *reduced* let's say. The handwashing and facemask wearing has made a difference: sickness absences are on the downward trend.

## March Events

## Kiwanis Music Festival Rehearsals

A reminder for Kiwanis participants, the first rehearsals to prep for April's performances will commence in March. As per the November Info Sessions, PMM will arrange for payment to the accompanists, and those performers who require rehearsals will have their March invoices adjusted and/or an additional invoice sent, to include the accompanist and rehearsal fees.

## Welcome to Liam

In the words of teacher George "here we GROW again"! PMM welcomes Liam King to the team as our second intern. Liam will learn the ropes of schedule coordination for the next year. He's been training with Sarah and Chris since February 26, and will begin to send emails from March 1st onwards. If you see him in the main hall, definitely give him a hello; he's super pumped to be the fresh new face of the organisation! Welcome Liam!
